

FOCUS ON INTEGRATED TREATMENT

Awards & Recognition

Awards and Recognition

Journal of Dual Diagnosis, Volume 7, Issue 3, 2011

An article on the New York State implementation of FIT confirms that distance learning with support is a feasible vehicle to train practitioners in large treatment delivery systems.

FIT has won several prominent awards, including

Brandon Hall Excellence in Learning Technology Award

Best Custom Content

Omni Intermedia Award

Silver Awards in Government and Internal Communication

Horizon Award

Bronze Award for Excellence in Design and Use of Video

Communicator Award of Excellence

Best Interactive Design
